Vibrant colour and efficiency in a compact design

xerox®

Phaser® 6000 / 6010 Colour Printer and WorkCentre™ 6015 Colour Multifunction Printer

Xerox makes outstanding colour the easy, affordable choice with the Phaser 6000 / 6010 and WorkCentre 6015. Our smallest colour multifunction printer[1] and even smaller printer are powerful, office-friendly products for your team's document handling demands.

Outstanding colour

- **High-end print technology.** The proven Hi-Q LED print engine is the same breakthrough technology found in some of our higher-end devices used by graphic artists.
- **Impressive colour depth.** All devices deliver amazing colours and impressive image quality for effective business graphics.
- **Unique Xerox EA toner technology.** Engineered to give you crisp text and printed images with superior gloss, detail and clarity. Plus, a low fusing temperature helps you conserve electricity. It's the same high-quality toner used in our high-end products for the graphic arts industry.

Productive performance

- **Multifunction productivity.** The space saving WorkCentre 6015 multifunction printer saves energy and supplies costs by combining the functions of a copier, printer, scanner and fax[2] – all in one device.
- **Print graphics with confidence.** With ultra-fast processors and 64/128 MB standard memory, they handle your daily workload – even pages with graphics, photos and charts.
- **Affordability.** Whether you choose USB or network connectivity, these devices provide real-world print productivity and a host of built-in features.
- **Superior performance.** Get your projects out fast, with print speeds as fast as 10/12 ppm for colour and 12/15 ppm for black and white.

Easy in the office and easy on the network

- **Print and go.** Easy installation and pre-loaded toner cartridges make this printer virtually plug-and-play.
- **Wireless freedom.** Place the WorkCentre 6015NI anywhere in the office with standard, internal wireless networking.
- **Easy remote management.**[3] When connected to the network, the CentreWare® IS internal web server lets you check the status of a print job or manage the device without leaving your computer.
- **Super-quiet operation.** You can keep your printer nearby for distraction-free convenience.
- **Convenient supplies.** Save time and storage space with the easy-loading and ultra-slim toner cartridges used in both the printer and multifunction printer.
- **Flexible paper handling.** The main paper tray supports a wide range of custom media and sizes, from labels to card-stock to envelopes. A convenient 10-sheet manual feed slot lets you feed media and envelopes easily.[3]

[1] When in a closed state compared to A4-size colour multifunction printer products utilising toner-based print technology as of June 2011.

[2] WorkCentre 6015N and NI

[3] Phaser 6010 and WorkCentre 6015

Brilliant colour and efficiency at your fingertips. The WorkCentre 6015 colour multifunction printer adds powerful productivity features to the office-friendly Phaser 6000 / 6010. Produce professional materials and free up space by consolidating several office machines into a single, cost-saving colour multifunction printer.

1. The internal wireless card comes standard on the 6015NI, providing the freedom to locate the machine anywhere in the office.
2. Easily configure settings with the bright, back-lit LCD screen's intuitive menu structure and the front panel's well placed buttons.
3. The 15-sheet automatic document feeder helps process multiple page documents on media sizes from A5 to 216 x 356 mm (6015N and NI).
4. The front-side USB port allows users to quickly scan to any standard portable USB memory device.
5. Powerful scanning features include Scan to Network, Email or USB memory device with resolution up to 1200 x 1200 dpi, 24-bit colour / 8-bit greyscale.
6. Copy features include reduce/enlarge of 25% – 400%, Automatic Background Suppression and many others.
7. Packed with the most common fax capabilities at a speed of 33.6 Kbps (6015N and NI).

WorkCentre™ 6015 Quick Facts

- Print up to 12 ppm colour and 15 ppm black and white
- Built-in wireless connectivity (6015NI)
- 1200 x 2400 dpi
- 15-sheet ADF (6015N and NI)
- Powerful 295 MHz processor
- PANTONE® Colour calibrated solid-colour simulations

Copy / Print / Scan / Fax / Email
